

TRADELINERESCORE SERVICES

Corrections to All Three Repositories mean Accurate Credit Scores in 72 hours or Less

TRADELINERESCORE

Studies show more than 80% of credit files contain errors, most of which reduce credit scores. That can keep borrowers from qualifying for the loan they want.

Consumers can notify the repository, but the corrections can take 90 days. You can't wait that long.

With 1 Source Data Rapid Rescore services, our agents direct the borrower's documents, to the appropriate repositories directly, and confirm the trade line correction – usually in 72 hours or less. The new credit score is almost always higher, meaning more applicants can qualify for your loan products. In today's market, maximizing a client's credit score can make the difference losing a customer and closing the loan.

A POWERFUL TOOL TO INCREASE CREDIT SCORES

An applicant's credit score impacts the quality and cost of the qualifying loan. Rapid Rescore can get the borrower get the loan they want. That makes a positive impression that reflects on you. Take advantage of our 20 years of experience in the credit scoring business, and have confidence in letting us discuss strategies to your loan officers. Since applicants see Rapid Rescore as an extension of your company, you saved your borrowers money. And happy clients tell their friends and neighbors..
